## **B** HANDY SHOWER

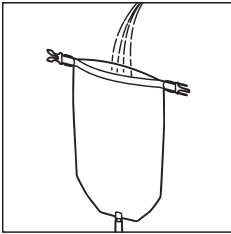

self-closing shower head  
HSHSC-GN-EN

**1**

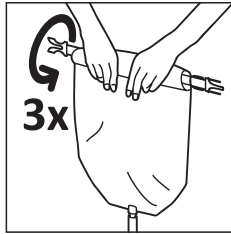

Connect the valve and bag with a transparent tube.

### USER MANUAL

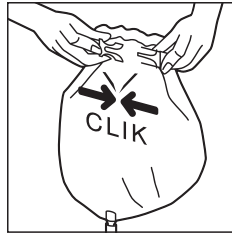

**2**

Slightly open the top and pour water inside.

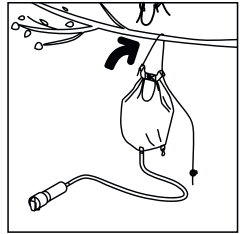

**3**

Twist the top of the bag 3 times.

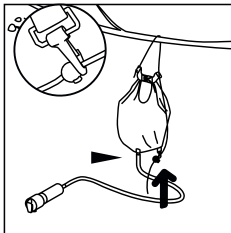

**4**

Clip.

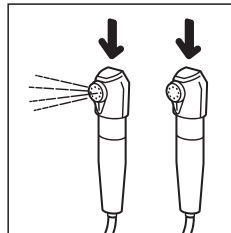

**5**

Hang the bag as high as possible using the rope. Thread the free end of the rope through the top carabiner.

**6**

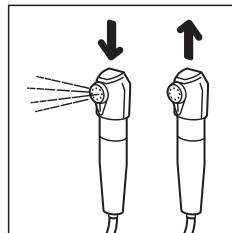

Thread the rope through the bottom carabiner and adjust the height using the stopper.

**7 A**

**Pocket Shower (click valve shower head)**

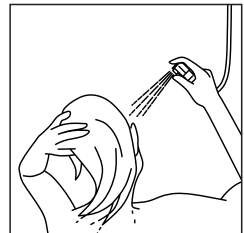

Activate the shower by pressing the shower head. Stop the water on by pressing the shower head again.

**8 B**

**Handy Shower (self-closing shower head)**

Activate the shower by pressing and holding the top of the shower head. Release the shower head to stop the water flow.

**9**

Enjoy your shower!
